

## 2019 WCCU Fees

The fees were adjusted to include the CSA increase

There are no reduced fee options for joining later during the season, as decided by the AGM.

1. **Prepaid race fees** include 24 races, as indicated on the 2019 WCCU calendar.

### **Advantages of race pre-payment**

Pay for 24 one-day races at the start of the season

Don't have to worry about entry fees every weekend

Don't have to wait in long ques for change

Encouraged to take part in races, for which entry fee has been paid

You can score if you do more than 11 out of 24 races

2. A "**Novice**" is a paddler who is registering in their first ever canoeing season. Only the first registration will be allowed at the discounted rate. Paddlers who are reregistering after a long absence do not qualify as novices.
3. The **social membership** at R100 allows the member to participate in any club time trial, local flat-water races and surf ski inshore short course races only. To compete in any other **provincial or national events**, the member has to be registered as a full member.
4. Under Graduate **Students** under the age of 25 studying full time may register at the Junior rate upon presentation of a valid student card to their club secretary/registration officer.

## 2019 WCCU Registration form

The WCCU registration form includes the CSA indemnity information, so, it is not necessary to sign both.

Registrations start 1 March 2019 and are valid for one year from 1 April 2019 to 31 March 2020.

Paddlers who intend taking part in championship events (50 Miler, Duzi, Umko), before 1 April, have to be registered for 2018.

Good luck see you at the river.

Regards René

**NB: DOT.CLOUD, ON-LINE REGISTRATION SYSTEM, WILL BE IMPLEMENTED ON 1 APRIL 2019. WCCU will do a mass registration in 1 April, of all paddlers who registered for the 2019 season before 1 April.**
